29 September 1967

MEMORANDUM FOR: Deputy Director for Support

SUBJECT :

[REDACTED]

1. On 29 September 1967 [REDACTED] came to call on me concerning employment with the Agency. He is presently with [REDACTED] the end of October. He said that he has received offers from industry but would prefer to have a job with the Agency, with which he served four and a half years several years ago.

2. I explained the facts of life to [REDACTED] ending with the summation that his chances are not very good because we already have more people in his age bracket than we want and because we have Agency careerists who are qualified for the vacancies he might fill. He understands all this but would nevertheless like to pursue the matter. He feels that, because of his experience both in the Agency and elsewhere, he has considerably more to offer than the average military retiree. I told him that I would ask you to give him serious consideration but that I could not be very encouraging.

[REDACTED] did a fine job for us in [REDACTED] and I believe he received [REDACTED] his service here. I understand that he has been very cooperative with our Logistics people on several occasions since he left the Agency. For these reasons I should appreciate your giving him a call [REDACTED] [REDACTED] and talking with him. You are not under any pressure to hire him, but I would like him to feel that he was given courteous and careful consideration.

[REDACTED]
